HW: Turn in on Monday- Summarize the film in a paragraph. Predict what will happen next.

11:15- 12:00 (Arabic 3/4 Porcelli) + (Arabic 2 Shehab)

Arabic 3/4- Students should work on their individual projects create work plans for the weekend. Students must submit final drafts of the written portions of their projects by Tuesday. Students may need computers or may need to work on their phones. You can help by asking students about their projects and asking them about the steps they need to take to finalize their work.

Arabic 2- Shehab

the student's will need to use their homework from Thursday (list of ingredients for Baba Ghanouj and Fatoush to practice it with each other in the class, they will need to work in pairs one will be the Buyer and the other the Seller, and then they need to switch.

If the students finish the practice they may start practicing the fruits using the same method above.

12:05-12:50 Gamma (Arabic 3/4)

Arabic 3/4- Students should work on their individual projects create work plans for the weekend. Students must submit final drafts of the written portions of their projects by Tuesday. Students may need computers or may need to work on their phones. You can help by asking students about their projects and asking them

about the steps they need to take to finalize their work.

1:40-2:25 Eta (Arabic 2)

Students will be working on individual presentations about famous dishes in the Arab world. They are preparing a presentation IN ARABIC for Monday's class. They can work using the cookbooks in class or on the web. Presentations should be short and casual but informative and use food vocabulary that we have learned in addition to some words they have looked up.

Worksheet: Attached (15 copies)

HW: Finalize Presentation

2:30-3:15 Epsilon (History of Jerusalem)

Students will finish watching "The lemon tree". They should be recording quotes that are relevant to the "security debate". When they complete the film they should begin answering the discussion questions and dragging their wiring for the weekend.

HW: Complete the writing assignment as posted on the wiki. Please type if possible.
